In the Matter of:

NOTICE OF CONTINENTAL TELEPHONE	)	
COMPANY OF KENTUCKY OF AN	)	CASE NO. 8861
ADJUSTMENT IN ITS RATES	)	

O R D E R

On October 7, 1983, Continental Telephone of Kentucky (Continental Telephone), by counsel, filed its Motion pursuant to the Commission's Order of Procedure entered August 29, 1983, requesting that the Commission permit the filing of updated testimony and exhibits (attached to the Motion) of witness Anne Vaffis relative to a decrease in vehicle expense and an increase in the adjustment for attrition.

As grounds for the Motion Continental Telephone states that six vehicles will be eliminated rather than three, as projected in the original testimony thereby requiring a reduction in pro-forma vehicle expense. Continental Telephone further states that in calculating the original adjustment for attrition, Ms. Vaffis failed to include certain components.

On October 13, 1983, the Attorney General's Consumer Protection Division filed a Response to the Motion stating, among other things, that the Motion is untimely and inappropriate.

The Commission, having considered the Motion, Response and being advised, HEREBY ORDERS That the Motion be and it hereby is sustained.

Done at Frankfort, Kentucky, this 14th day of October, 1983.
